

**Grand Knight's report:**

While we often have the ability to look back on things, I am going to hopefully put the right foot forward and leave this organization moving in the right direction. I know that many of you have been involved with the Knights for many more years than I have, so I don't proclaim to know it all, but we are a strong group of Catholic men that want to continue with the same vigor and fire that has kept it going since mid-80's.

So I can say it has been the best of times for me, and working with such a fine group of men who want to keep this organization going, that I have no regrets about moving along and letting Fred Prewitt take over as Grand Knight.

I leave you with this message: I regret that the women dissolved their organization, I love the fact that we have always rallied to cover every event that we were responsible for, and I think that we have made a difference in the parish at Annunciation and contributed mightily to the well-being of our youth, the financial stability of our council and parish and the generosity and ability to give to most of the requests that we receive for support. The Amphitheater support with Chief Pratt's leadership has been instrumental in our success. The ongoing support of the Jesse James Festival and barbeque has been a Knights legacy. The Tootsie Roll Drive will mean more with our support of the Special Olympians and I know that it will continue to be an integral part of our organization going forward.

There are too many people to thank for their efforts, but this council would not be what it is without the ongoing management by Mark Kane, who is truly the best financial secretary that a council could have. The work by Lenny, Mike and Chad at the Amphitheater goes without saying. Rick, Jeff and David have been great supporters these past 3 years, and we have benefited from their efforts. Dennis, Gene, Frank, and Dave have all done more than their assigned responsibilities and I could not have done this job without them.

God's Blessings Be Upon Us,

**July 02, 2015 Message to Mirjana**

"Dear children, I am calling you to spread the faith in my Son - your faith. You, my children illuminated by the Holy Spirit, my apostles, transmit it to others - to those who do not believe, who do not know, who do not want to know - but for that you must pray a lot for the gift of love, because love is the mark of true faith - and you will be apostles of my love. Love always, anew, revives the pain and the joy of the Eucharist, it revives the pain of the Passion of my Son, by which He showed you what it means to love immeasurably; it revives the joy for having left you His body and blood to feed you with Himself - and in this way, to be one with you. Looking at you with tenderness, I feel immeasurable love which strengthens me in my desire to bring you to a firm faith. Firm faith will give you joy and happiness on earth and in the end the encounter with my Son. This is His desire. Therefore, live Him, live love, live the light that always illuminates you in the Eucharist. I implore you to pray a lot for your shepherds, to pray so as to have all the more love for them because my Son gave them to you to feed you with His body and to teach you love. Therefore, also you are to love them. But, my children, remember, love means to endure and to give, and never, ever to judge. Thank you."
