

The Roundtable

Grand Knight's report:

While we ended up having no meetings in February, Super Bowl Sunday and then some snowy weather for our second meeting night, it was still an active month for our council. We supported the regional Knight's Free Throw Contest and it went well with several winners from Kearney moving on to the State Finals in Columbia in March. Jeff Van Fossan, also supported the district free throw contest, and has done a great job in taking charge of the program with Mark Kane's support these past few years. We also had our share of brothers at the first Fish Fry and once again, Richard James was the master chef and got everything prepared and ready, even though Mother Nature dealt us a rather bad hand for our first event in Lent. Again, the food was good and we had compliments aplenty for our staff and everyone pitched in together with Lisa and Bill Kiefer taking the lead.

We will have the pleasure of hearing from Mary Bauer in March 8. She is the former Miss Missouri and the Partnership Manager for the Special Olympics' and the State of Missouri's biggest initiative this year. To raise the funds to build the facility in Columbia for Special Needs, the state is asking each council to contribute \$20 per member, which we mean we would need to send approximately \$3,400. Keep this date available, if possible, as this is a big initiative for the state this year. The State meeting is April 24-26 this year and I am planning on attending. If anyone else is interested in going, please let me know.

Our Council's Annual Report has been prepared and I will bring it to our next meeting and it will need to be signed off by our trustee's. Once again, we were very generous this year with over \$25,000 being donated to charity and other church related activities. We will need to get some money for Joe Self, whom we have supported in the past and we missed out on doing that last year. Golfers, you have several opportunities to support tournaments in the area. The Aiden McVicker Benefit Golf Tournament is in Cameron, May 1 & 2. This tournament has raised more than 24K for the Children's Center for the Visually Impaired and provided 17K in scholarships for those that need help. Also the K of C International Golf Tournament is in Lincoln, Nebraska, this year from June 7-12, see me for more information.

Bless those that need it most, the unborn who have no voice in their mothers choice, and pray to end abortion.

VIEW FROM THE FOURTH DEGREE

Please call Jerry Hill (918-0929) with your questions.

Please join us at 7 pm in our meeting room before the third Sunday meeting of the month to say the Rosary.

Pray for our seminarians, priests and those in religious life. Our support of these vocations has made a difference.

Remember to pray the Rosary every day for Peace and human dignity.

Medjugorje Message - February 25, 2015

"Dear children! In this time of grace I call all of you: pray more and speak less. In prayer seek the will of God and live it according to the commandments to which God calls you. I am with you and am praying with you. Thank you for having responded to my call."

Holy Father's Prayer Intentions – March

- **Universal:** That those involved in scientific research may serve the well-being of the whole human person.
- **Evangelization:** That the unique contribution of women to the life of the Church may be recognized always.
