

[how we get there] our purpose

In order to continue responding to the needs of our growing parish and be responsible stewards of what God has entrusted to us we are launching this new Campaign – “Growing in Faith Together.” This will help us reduce our debt more quickly and avoid extended interest payments. In addition we will be able to accomplish some needed capital improvements. Looking to the future, in the year 2016, a final payment of \$400,000 for the Knights of Columbus Hall and property will come due. While it is not a designated part of this Campaign, it will be to our advantage to begin setting the funds aside now. It is now our **Community Center** and serves the need for so many of our parish activities.

Current Loan Balance	\$660,000
NEW PROJECTS	
Organ	\$30,000
Parking Lot	\$60,000
Community Center Floor	\$20,000
Prayer Path & Garden	\$10,000
